

**2021 to 2024**

**Q10022407 -Supermicro X13-DAI-T is experiencing an issue when Areca 1886-16i is connected. The motherboard is getting stuck on error code 92 DXE--BIOS PCI Bus Enumeration.**

In motherboard bios console, configure the PCIe speed to Gen4, it is functioning properly.

Unique solution ID: #2021
