

2021 to 2024

Q10012411 - What firmware and software suite start to support native NVMe mode on Areca RAID adapter?

From the following version support the NVMe Mode:

- Firmware version-1.70
- In-band ArcHttp and CLI utility- ArcHttp V3.0.0, CLI utility V1.16.2-2024/08/28
- Broad Hardware Support- Includes entry level ARC-1203 and high-performance ARC-1226, ARC-1883, and ARC-1886 series

Unique solution ID: #2054
