

# **Q10141404 - Is there a MRAID installer that doesn't require Java for Mac OS X?**

You can download the manually installation package in our ftp site:

[ftp://ftp.areca.com.tw/RaidCards/AP\\_Drivers/MacOS/Application/SnowLeopard\\_and\\_Iater/Installer/Build20130325/ManuallyInstaller/](ftp://ftp.areca.com.tw/RaidCards/AP_Drivers/MacOS/Application/SnowLeopard_and_Iater/Installer/Build20130325/ManuallyInstaller/)
