

2018 to 2020

**Q10081410 - The latest Linux kernel 3.17 still has
an obsolete driver,
version 1.20.00.15 2010/08/05. Could you send
the kernel team the updated drivers?**

Our latest Linux driver source with ARC-12x4 supported will be included into Linux kernel 3.18.

Unique solution ID: #1159
