

2018 to 2020

Q10041808 - I cannot make my HDDs connected to Gooxi 12Gb SAS backplane using ARC-1884ixl.

Gooxi 12Gb SAS backplane firmware version B013 has compatible issue with ARC-1884ixl. It works perfectly with B015 firmware.

Unique solution ID: #1762
