

2018 to 2020

**Q10011907 - For firmware version V1.51
2012-07-04, could you please clarify the below?**

1. What is the maximum capacity per disk drive support? 2. What is the maximum capacity per volume set?

With 1.51 firmware, the maximum capacity per disk drive is 16TB and the maximum capacity per volume set is 512TB.

Unique solution ID: #1788
