

2015 to 2017

Q10021504 - SanDisk X300s will be shown as Failed and cannot be used.on ARC-1882i.

It is a Sandisk SD7UB3Q128G1022 SSD firmware issue. Update the Firmware Rev. from X2170300 to X2180300, ARC-1882i can use it.

Unique solution ID: #1037
