

2015 to 2017

Q10011601 - Smartmontools can not interact with SAS devices on ARC-1224 RAID controller.

From firmware version 1.52 date: 2015-12-03 or later, ARC-12x4 RAID adapters can use the Smartmontools to extract the smart data from SAS disks.

Unique solution ID: #1545
