2014

Q10071405 - ARC-1883LP BIOS cannot detect Quanta S210-X22RQ storage (using LSI SAS2X28 backplane) with Areca cable.

This issue comes from Quanta using special cable for its backplane. Please request the Quanta SFF-8643 12G to SFF-8087 6G cable.
