

2016 to 2020

Q80031912 - Are ARC-8050 RAID storages compatible with macOS 10.15 Catalina?

The MRAID software installer version [install_mraid-20191119](#) has been notarized by Apple for macOS Catalina. We can now export this software and distribute it directly to users.

Unique solution ID: #1885
