

**Q10011907 - For firmware version V1.51
2012-07-04, could you please clarify the below?
1. What is the maximum capacity per disk drive
support? 2. What is the maximum capacity per
volume set?**

With 1.51 firmware, the maximum capacity per disk drive is 16TB and the maximum capacity per volume set is 512TB.

Unique solution ID: #1788
