

2010 to 2015

Q60011312 - ARC-8040 with ARC1320-8X can not work using macnonraid_install_arcsas-20130819 under Mac OS X 10.9, but it can work with MAC 10.7

This is a bug of ARC-8040 firmware. It can be fixed by firmware version 1.52 date:2013-12-20 or later.

Unique solution ID: #1314
