

**2015 to 2017**

**Q10111404 - ARC-1201 works on Windows Server  
2012 R2. But the scsi command error message  
shows in the Windows event viewer.**

This issue has been fixed in ARC-1201 firmware date: 2014-4-10 or later.

Unique solution ID: #1117
